Proposal 5: Determination of Compensation for the Grant of Restricted Stock to Directors

The amount of compensation, etc. for the Company's directors (excluding directors who are audit and supervisory committee members) was approved as ¥150 million or less per year (excluding salaries for their services as the Company's employees) at the 1st Annual General Meeting of Shareholders held on June 24, 2015. However, the Company, in an effort to provide directors who are not audit and supervisory committee members (hereinafter "Eligible Directors") with incentives to enhance the Group's corporate value as well as to further promote sharing of value between Eligible Directors and shareholders, proposes to pay compensation for the purpose of granting restricted stock to Eligible Directors, separately from the aforementioned compensation.

In light of the above objective, the amount deemed appropriate as the total amount of monetary compensation to be paid to Eligible Directors of the Company for the purpose of granting restricted stock pursuant to this Proposal shall be set at ¥50 million or less per year. In addition, the specifics of allocation to Eligible Directors shall be determined by the Board of Directors upon deliberations by the Nomination and Compensation Advisory Committee, the majority of which comprises independent outside directors.

If Proposal 2 is approved and adopted as originally proposed, the number of Eligible Directors shall be two (2).

Furthermore, Eligible Directors, in accordance with a resolution of the Board of Directors of the Company, shall pay in kind the entire amount of monetary compensation receivables arising as a result of this Proposal, and the Company's common shares shall be issued or disposed. The total number of the Company's common shares to be issued or disposed shall be 50,000 shares or less per year (however, in the event that the number of the Company's shares issued change due to a reverse stock split, a stock split and a gratis allotment of shares, etc., the limit and the number of shares to be granted to Eligible Directors shall be adjusted in a reasonable manner in accordance with the resulting ratio). The amount paid in per share shall be the amount determined by the Board of Directors within an amount that is not particularly advantageous to Eligible Directors who will receive the Company's common shares, such as the closing price (in the case that the transaction has

not been established on that day, the closing price on the most recent trading day preceding that day) of the Company's common shares on the Tokyo Stock Exchange on the business day immediately prior to the date of the resolution of the Board of Directors. In addition, the issue or disposal of the Company's common shares shall be conducted upon conclusion of an agreement between the Company and Eligible Directors on the allotment of restricted stock (the "Allotment Agreement") containing an overview and the contents below.

- (1) Eligible Directors shall not transfer, create a security interest on, reserve as pledge on mortgage security, or otherwise dispose of (the "Transfer Restriction") the Company's common shares allotted pursuant to the Allotment Agreement (the "Allotted Stock") during the period stipulated by the Board of Directors of the Company that is between six months and one year (the "Transfer Restriction Period").
- (2) In the event that an Eligible Director retires from the office of director of the Company or its subsidiary prior to the expiration of the Transfer Restriction Period, the Company shall, as a matter of course, acquire the Allotted Stock without consideration, provided, however, that this shall not apply if there are justifiable grounds as determined by the Board of Directors of the Company.
- (3) Notwithstanding the provision of (1) above, the Company shall, conditional upon an Eligible Director continuously remaining in the office of director of the Company or its subsidiary during the Transfer Restriction Period, cancel the Transfer Restriction of all the Allotted Stock at the expiration of the Transfer Restriction Period. However, in cases where the Eligible Director retires from the office as provided in (2) above prior to the expiration of the Transfer Restriction Period for justifiable grounds as determined by the Board of Directors of the Company as provided in (2) above, the Company shall adjust the number of the Allotted Stock for which the Transfer Restriction is to be cancelled and the timing of the cancellation, as necessary, in a reasonable manner.
- (4) If the Transfer Restriction of certain Allotted Stock has not been cancelled at the expiration of the Transfer Restriction Period, the Company shall, as a matter of course, acquire such shares without consideration in accordance with the provision set forth in (3) above.
- (5) Notwithstanding the provision of (1) above, in the event that, during the Transfer Restriction Period, a proposal regarding a merger agreement in which the Company becomes a non-surviving company, a share exchange agreement or a share transfer plan in which the Company becomes a wholly-owned subsidiary, or other proposals in which the Company undergoes organizational restructuring, etc., is approved by the Company's General Meeting of Shareholders (the Company's Board of Directors meeting in cases where approval by the Company's General Meeting of Shareholders is not required for said organizational restructuring, etc.), the Company shall, by resolution of the Board of Directors, cancel the Transfer Restriction prior to the effective date of said organizational restructuring, etc. with regard to the Allotted Stock. The number of such Allotted Stock shall be determined in a reasonable manner based on the period from the commencement of the Transfer Restriction Period to the date of approval of said organizational restructuring, etc.
- (6) In cases provided for in (5) above, if the Transfer Restriction of certain Allotted Stock has not been cancelled at the time immediately after the Transfer Restriction had been cancelled, the Company shall, as a matter of course, acquire such shares without consideration in accordance with the provision set forth in (5) above.
